SEPTEMBER 12–OCTOBER 9 • 2008

ecoarts

SOAR INTO ECOARTS — an extraordinary array of performances, exhibits, talks, tours, films, fairs and more. All designed to help you understand the realities of climate change and celebrate the power of shifting to a sustainable future.

Brought to you through a collaboration of science, environmental, arts, and indigenous organizations in Boulder, Denver, and Fort Collins.

www.ecoartsonline.org • 303.449.2128
